### **How to Comment on and Rate a Book**

1. Visit the library website (go to <http://sdms.rsu20.org> and click on Library).
2. Search for the catalog title of the book that you would like to rate.

The screenshot shows the library website's search interface. At the top, it says "Searsport District Middle/High School Library" and "A 21st Century Information Center for 21st Century Learners". There is a navigation menu with tabs for Home, Search, My File, Circulation, Users, Items, Equipment, and Administration. Below the menu is a search bar with a dropdown menu set to "Title", a text input field containing "Insignia", and buttons for "Search", "Clear", and "Advanced". Below the search bar are links for "Marvel Databases", "Issues and Controversies", and "CultureGrams".

3. Select your book from the list.
4. Click on the Green link to rate and comment on the book.

The screenshot shows the book details page for "Insignia" by S. J. Kincaid. The page has a dark header with buttons for "Reserve", "MARC", "Edit", "Clone", and "Delete". The book title "Insignia" is highlighted in yellow. The author is listed as "Author: Kincaid, S. J.". The format is "book". There is a summary section with a bullet point: "Tom, a fourteen-year-old genius at virtual reality games, is recruited by the United States Military to begin training at the Pentagon Spire as a combatant in World War III, controlling the mechanized drones that do the actual fighting off-planet." There is a citation/references note: "Junior Library Guild". On the right, there is a book cover image, a "Back to Results Page" button, and "Previous" and "Next" buttons. Below the cover is a green link: "Be the first to submit a comment & rating". At the bottom right, there is a "Record Information" table:
